*"Destination Imagination (DI) is a non-profit, volunteer-led, cause-driven organization. Its purpose is to inspire and equip students to become the next generation of innovators and leaders. Annually, we offer seven new standards-based Challenges in STEM, Improv, Visual Arts, Service Learning, and Early Learning. Each Challenge is open-ended and enables student teams to learn and experience the creative process from imagination to innovation." --DI website*

Application process: Complete this application and return to your school's office. Applications are then reviewed by District DI Coordinator and Team Managers. Student team assignment will be prioritized by relation to team manager, school/grade level, and skills/talents. DI is considered a District Activity so requires a \$75 fee. Payment is due upon team assignment. Form deadline: **Friday, September 20th, 2019**

The season for Destination Imagination begins in September and concludes at the end of March. All teams participate in the Regional Tournament mid-March--there are wrap up/debrief meetings held after Regionals concludes for all teams. There is a possibility that teams advance to the State Tournament which is held in mid-April and/or Globals which is held the week before Memorial Day weekend. Practices to prepare for these competitions are held weekly. Every team member is an invaluable asset to the whole team and is required at every practice and tournament date.
