

# Destination Imagination

Students grades K-8 work with Teams of 2-7 age-like peers to solve 7 STEAM-based challenges supported by Parent Volunteers

Purpose at MTSD: to provide our students experiences and challenges to explore their creativity through STEAM (science, technology, engineering, arts, and math)

## **What is Destination Imagination?**

**Students work together to solve 1 of 6 challenges by problem-solving and working together. Solutions are performed at a regional tournament in March.**

- **Preview this year's challenges [here!](#)**

**In MTSD, student teams created based on interest and available parent volunteers to manage teams.**

## Notable Information:

- **DI is kid-powered!**
- **Activity fee of \$75 required**
- **Regular season runs from October to end of March**
- **Weekly meetings held after school or in the evenings**
  - ***Teams creates their own practice schedules based on team members' availability!***

## Next steps:

- **If interest, your child must complete an [application form](#) (click to complete) by Friday, October 4th**
- **Still have questions? Please email Nicole Brown @ [nbrown@mtsd.k12.wi.us](mailto:nbrown@mtsd.k12.wi.us)**
- **Teams will be created and shared during the week of October 14th.**
- **Practices are determined by Team Managers and will begin after teams are created.**

## Important dates:

- **Regional tournament: March 15, 2025 at Muskego High School (all teams compete!)**
- **Affiliate (State) tournament: April 5, 2025 at Sun Prairie East High School (teams may compete pending on placement at Regional tournament)**
- **Globals: May 22-25, 2025 in Kansas City, MO**
