

Our mission is to educate the whole child by providing developmentally appropriate opportunities to move all learners forward. We are dedicated to celebrating diversity and inclusivity. We believe all children can learn. It may not occur in the same way or time frame. The growth comes from the journey.

Welcome to MTSD 4K

MTSD 4K PROGRAM OVERVIEW

The Instructional Focus of MTSD 4K Includes:

- Hands-on large/small group activities with ample time for discovery and practice through exploration
- Time for students to engage in meaningful literacy and math concepts, through learning stations that promote critical thinking and collaboration with peers
- Laying a solid foundation to equip students with school readiness skills to excel within the MTSD curricular K-12 framework
- Facilitated outreach activities that bring families and the 4K district-wide school community together
