# Pickleball

Yes, PICKLEBALL – the fun game with the funny name, is one of the fastest-growing sports in the nation! Created in the backyard of Washington Congressman Joel Pritchard in 1965, it is a combination of badminton, tennis and table tennis, and is enjoyed by all age groups. Using a badminton-size court, tennis-height net, table tennis-type paddle, and a baseball-sized wiffle ball, usually played by doubles, this game has few rules and is far less strenuous than tennis. It is easy to learn and provides plenty of exercise and eye-hand coordination; a game of strategy for both men and women, you don't have to be tall and powerful. Want to watch a video? Go to [www.USAPA.org](http://www.USAPA.org), click on link "What is Pickleball?" under Training and Court Info link or sit in on any Tuesday, Thursday, Friday or Saturday open court session to see if you'd like it.

# Shakespeare's A Midsummer Night's Dream

Adapted by: Dr. Carolyn Harper

## SUMMER DRAMA CAMP:

Presented by Mequon-Thiensville Recreation Department

For students entering grades 5 - 8

Performances on the Thiensville River Stage at Village Park in Thiensville

This sharp one-act adaptation of Shakespeare's most popular comedy retains all the important plot points for a lighter, fast-moving production. The mischievous fairies, complicated romances, bumbling actors, magic, and laughs are all here! The well-written blend of modern language and Elizabethan dialogue keeps the flavor of Shakespeare's poetry and allows your students a no-fear approach to the script.

Summer camp will include theater games, acting tips, lots of acting and of course a chance to perform outside on the Thiensville River Stage for our fourth summer!
